Re: Woodlawn Landfill Superfund Site

Dear Ms. Marks:

In accordance with Section 121(f)(1)(F) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended, 42 U.S.C. § 9621(f)(1)(F), and 40 C.F.R. § 300.520(a), I am writing to notify you that, in the near future, EPA intends to begin negotiations with potentially responsible parties for performance of remedial design and remedial action at the Woodlawn Landfill Superfund Site.

The purpose of this letter is to provide the State of Maryland with the opportunity to participate in such negotiations, and to be a party to any settlement resulting from the negotiations. Kindly notify us as soon as possible whether the State of Maryland will participate in these negotiations, in accordance with 40 C.F.R. § 300.520(b). We would appreciate your response by February 9, 1994.

If you have any questions concerning this matter, please do not hesitate to contact Patricia Hilsinger, Assistant Regional Counsel, at 215-597-2618.
